THE HALLOWED GROUNDS EXPERIENCE

Sometimes, the best things happen when you least expect them. Matt & Christine were produce vendors at a local Farmer's Market. A coffee vendor was needed, and since both of them love good coffee, they decided they could fill that spot! To their surprise, it was a hit! After a busy fall season, the time came for this experiment to have its own identity - it was then that Hallowed Grounds Coffee Co. was born!

Coming from a "fresh & local" farm mentality, the quality of ingredients is something that is VERY important at Hallowed Grounds. We source our milk directly from a local dairy farm where the cows are pasture raised & grass fed. Our beans are fair trade, USDA certified organic & locally roasted. Our toppings are from local bakeries & confectionaries. The quality and freshness of our ingredients is what makes us unique.

When booking Hallowed Grounds, we guarantee a great experience. Our baristas are friendly, knowledgeable, and always willing to go above and beyond to create a perfect drink. The HG experience also comes complementary with signature drinks for any event.

BRUNCH

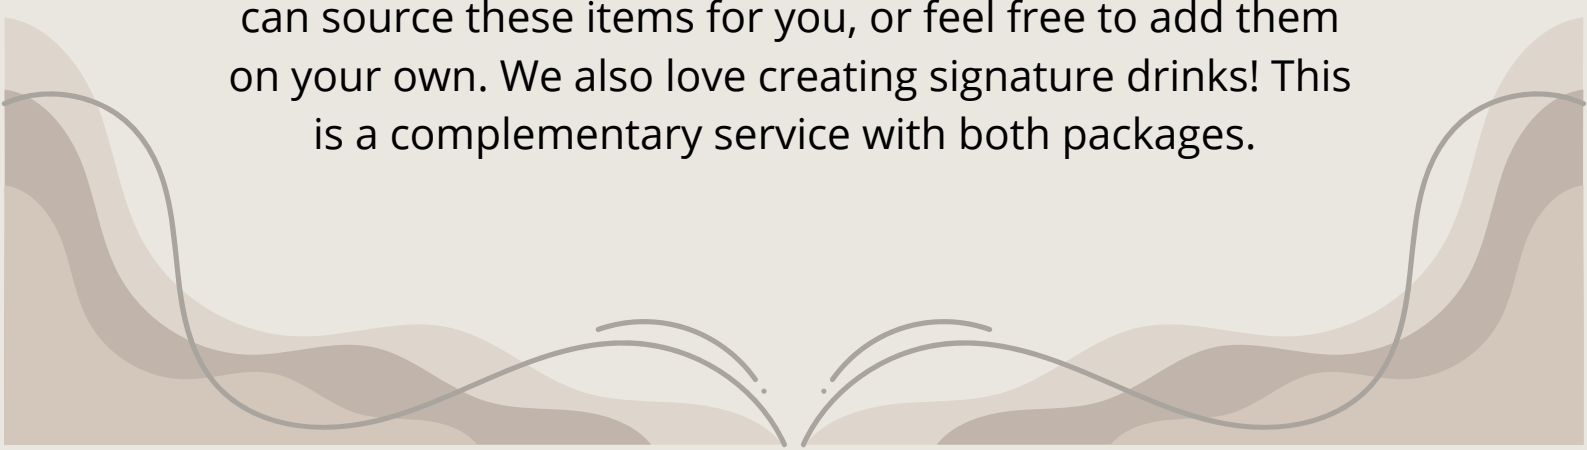

We are BIG fans of brunch! This is a perfect addition to any event, but we love a bridal or baby shower brunch. For the BEST food menu, we recommend contacting Thyme Catering.

DESSERT

Want to add a sweets menu to your package? We work with several local bakeries and confectionaries to enhance your experience. From cookies & cream puffs, to cupcakes & candy - we have you covered with the best of the best for your event! Ask about creating a dessert table.

PERSONALIZATION

We love special personalized touches. From signage to cup sleeves, each item creates an amazing addition. We can source these items for you, or feel free to add them on your own. We also love creating signature drinks! This is a complementary service with both packages.

A PERFECT ADDITION

Our espresso bar and mobile cafe are perfect additions to any event! We have catered weddings, showers, corporate meetings, tv and film production sets, teacher appreciation days, and so much more.
